

# ST. PETER'S KEYS

*Stop, Look and Listen*

**December 10, 2018**

## **Principal's Prayer**

*Proverbs 22: 1-6*

*A good name is to be chosen rather than great riches, and favor is better than silver of gold. The rich and the poor meet together; the LORD is the Maker of them all. The prudent sees danger and hides himself, but the simple go on and suffer for it. The reward for humility and fear of the LORD is riches and honor and life. Thorns and snares are in the way of the crooked; whoever guards his soul will keep far from them. Train up a child in the way he should go; even when he is old he will not depart from it.*

Heavenly Father,

Today, I come to you on bended knee lifting up your dear, sweet children in prayer. Lord, we live in a troubling world where these kids are surrounded by things that are not from you. I pray that our kids can resist the temptation to fit into this world by doing things that aren't according to your will. It is so easy for all of us to get caught up with the idea that we are entitled to certain privileges. None of us wants our children to feel pain or hurt because they have failed at something. However, I believe that experiencing these things adds to our ability to grow. We can become stronger by recognizing the need to be challenged. We need to know what it means to work hard in order to find success. Your children need to experience this as well.

I ask that you bless each of their caretakers with the wisdom to know that they need to rely on you for guidance in raising these children to love and follow you. Help them know the importance of discipline according to your will. Whether it's a parent, grandparent, guardian, teacher, or friend, please assist those who are responsible for the upbringing of these children. Above all, I pray that they come to know you by being surrounded by other believers. May they accept Jesus as their Lord and Savior. May they know what it means to have a personal relationship with you so that others can be led to you by their example. I love you, Lord and desperately want your children to love you, too. In your beautiful and precious name I pray. Amen.

## CLASSROOM CORNER

Hi Parents!

I can't believe we have completed ten weeks, parent teacher conferences have come and gone, and five week reports are around the corner! The school year is flying by!

The first graders are hard at work practicing their Advent parts both at home and at school. The K, 1 and 2 Advent Service is December 19<sup>th</sup>. They are doing such a great job memorizing lines. Keep encouraging them and keep December 19<sup>th</sup> free.

Our room is decorated for Christmas and have begun our December activities. Along with practicing our Advent service! We are planning special holiday activities with our friends. We had Grinch Day already. And we will be doing other activities with The Polar Express, Pippen The Christmas Pig (Of course!), and other stories. We also have been busy doing crafts!

*Our first graders are math wizards! And they get so excited when we do math each day. They often ask me if they can do more math! We are already on Chapter 6! Keep doing their homework with them. It reinforces the work we are doing in school.*

I hope you all have a Merry Christmas and a Happy 2019!  
Miss Cassick and Grade 1
