

ST. PETER'S KEYS

Stop, Look and Listen

October 29, 2018

Principal's Prayer

Psalm 55:22

Cast your cares on the Lord and He will sustain you; He will never let the righteous be shaken.

Lord Jesus,

You know the struggles I have been facing the past few weeks. I have placed my concerns before you. However, I have sinfully questioned your plan and purpose for my life. The struggles are real and yet I know that they aren't any worse than what others face. My selfishness upsets me beyond description.

Lord, I ask that you fill me with your spirit so that I have the strength to overcome the problems I have created. My mistakes lead me to doubt you as I struggle to wait patiently for your guidance. I know that each day is filled with opportunities to start fresh. I ask that on this day you cleanse my mind, body, and soul. I cast all of my cares on you knowing that your forgiveness is lovingly given to me.

I thank you Precious Savior for continuing to love me and to faithfully place me in positions where I can make a difference for you. Take away my doubt so that I can do your will. I love you, Lord.

Amen

CLASSROOM CORNER

It feels strange that this is only the first article I've written for the Keys this year, because we have been so busy!

The fifth graders are learning a little about what it is like to be a middle schooler. Changing classes, having a locker and keeping track of assignments are a few of the new adventures they have encountered.

Fifth graders have been working hard in ELA, Math and in Social Studies. In ELA, we have completed the book Frindle and have just begun one of my favorites Bridge to Terabithia. Math has brought a continuation of decimals from fourth grade. In Social Studies, the students have been learning about our neighbors to the north in Canada.

Along with all the fifth graders other classes, they just finished a four week life lesson journey with Lieutenant Richards. Fifth graders participated in the All Star Program. This is a new version of the DARE program. The students took part in a celebration ceremony during chapel on October 12th. They decided the chapel to the 8th graders to remind them of the new challenges they will face in high school. I am proud of the great job they did! Our next chapel service we will be hosting is our annual Veteran's Day service, which will be held on Friday, November 9th. We hope that you can join us.

Sixth grade Social Studies focuses on ancient civilizations. The students have "traveled" to Mesopotamia. Soon we will be venturing to Egypt. They have many more civilizations to learn about.

Seventh and Eighth graders have learned about the Civil War. They were able to hear a great presentation from the visitors from the Civil War Museum located in Springville. It will be trip from the Civil War all the way through today during class for the 7th and 8th graders.

It has been a busy, but exciting year so far. I am looking forward to all the upcoming adventures.
