

ST. PETER'S KEYS

BE KIND!!!

April 25, 2022
CLASSROOM CORNER

“Trust in the Lord with all your heart and lean not on your own understanding; in all ways submit to Him, and He will make your paths straight.”
Proverbs 3:5-6

Third graders have been doing a fantastic job in Reading and Math! We love reading! We are just beginning a unit in Reading about Cultures. We have been reading about various cultures, foods, clothing, and families. We just read a story called “Suki’s Kimono.” In this story, Suki wanted to be different and wear her new kimono to school on the first day. It was special to her as her Grandmother gave it to her. Her sisters wore their new clothes. Suki had the better day! She shared her culture with her class and performed a special dance she learned in her kimono. In Math, we are working on fractions. We will also be doing more in-depth work on bar graphs, pictographs, and line graphs.

Science has been really exciting! We are just finishing a chapter on Science, Engineering, and Technology. We have been learning about changing motion, forces and transportation, and technology and design. Also, in preparation for our mini unit on animals, we will be ordering butterflies. We will have the opportunity to observe them go through metamorphosis to become butterflies. It will be an amazing sight!

In Social Studies, 3rd graders are beginning a chapter on Working in Communities. We are learning about Life in a Farming Community, How Communities Make Goods, and The World Around Us. Soon, we will be studying New Orleans. We will be reading about Louis Armstrong and Jazz, Cajun music, Zydeco music, and food. One of the most popular treats in New Orleans are beignets, a French doughnut. Miss Kreutz will be bringing in an electric frying pan to make beignets for the class. It is a delicious treat!

In Religion, 3rd graders are just starting up a Unit on How God Hears and Answers His People. We will be studying if God hears and answers our prayers, how we talk to God, how we live for Christ, why we pray “Thy Kingdom Come”, for what should we pray, how God helps us resist temptation, how God delivers us from evil, and why we can pray with confidence. These students love our discussions in class that share our thoughts, prayers, and questions.

Be Kind in All Things You Do!
