CLASSROOM CORNER

Springing Ahead

Second Grade/Mrs. Delp

My favorite season is spring. I love seeing the beginning of flowers growing as they peek out of the soil, the warmth of the sun, and the promise of things to come. Our second graders represent all of those characteristics. They are growing and learning, reaching out to the *Son*, and giving us a peek of what is to come in their lives. We are learning to make good choices, put the Lord first, develop good study skills, work hard and not give up, and to remember that just as spring is a fresh start so is another day to try harder.

We are working in math with line, picture, and bar graphs. Second graders are starting to memorize their times tables as we work on drill sheets and play different multiplication games. In reading the students are reading nonfiction stories and further developing their reading vocabulary. Bible class we finished the examples shared by O.T. heroes such as Daniel, Elijah, Elisha, and Nehemiah and are digging deeper in our studies of the miracles of Christ. We are almost to the end of our handwriting book and will be learning how to write each other's names in cursive. We have been improving our creative writing by adding adjectives and adverbs to our sentences. In science we finished working with magnets and are now studying plants and what they need to grow. We planted grass seeds in our Lenny Leprechauns and are watching Lenny grow green hair. Social studies is all about patriotic symbols and being a good citizen.

Second grade is springing ahead in our growth of the Lord as well as our academics.

Psalm 1:3 "He will be like a tree planted by streams of water which yields its fruit in season and whose leaves do not wither." Second grade knows this verse, we have learned all of Psalm 1, more importantly we want to live out this verse by growing in the knowledge of our Savior. Then we will be like that tree that will be budding in the spring and yielding its fruit in the fall.
