

ST. PETER'S KEYS

My Life is in Your Hands, Lord

April 19, 2021
CLASSROOM CORNER

He cares for you. 1 Peter 5:7

Our Bible story in Pre K this week is about another of God's miracles and knowing we can trust him because he does care for us. Our Bible word is Faith, we all need to have faith in God's plan for each and every one of us. Our students love Bible lesson and listen intently and are always anxious to answer our questions.

As we move along learning letters and numbers, we are down to our last 2 letters. Hard to believe we are at this point in the school year. The growth we see in the students, both classes, is amazing and evident.

Some things are changing in the Pre K wing and our students are starting to spend more time together. It is great to watch them all interact and to see how they learn from each other. Funny thing is the Pre K 4 kids think the Pre K 3 kids are the "little kids". We all chuckle at this because they are all "little kids".

Winding down for the last ten weeks of school adds a little pressure to teachers because we all want to make sure our students are ready to advance to the next grade. St. Peter's has prevailed through COVID and we were so fortunate to be able to have a semi-normal school year. Sure things were different, some changes were actually good changes, but for the most part, everyone did what was needed for us to stay in school. This is a success story, one that happens when everyone works together. It is our firm belief in Pre K that our students need to be in the classroom interacting and socializing. I know parents feel this way as well, and we are pretty confident your children would agree.

All of us from Pre K wish you good health and happiness!

Sincerely,
Mrs. Whalen, Mrs. DeVantier, Mrs. Kvamme and Nana
