# ST. PETER'S KEYS

*My Life is in Your Hands, Lord*

**April 26, 2021  
CLASSROOM CORNER**

Here we are at the end of April! Where did the month go? So much growth has taken place and for that our students can be proud!! In Math we are finishing up a unit on Telling Time and moving on to Addition and Subtraction. In Science, our unit on Plants will include some spring planting – we are still awaiting the results of our avocado pit! The neat thing about this time of year is that our hardcover Science Textbooks are actually able to be read...by the students! They are so proud of their accomplishments in reading and are enjoying Reading Groups with their peers. Moms and Dads have been faithful with reading together at home and keeping our “Tote-A-Book” program going!

Creative Writing is blooming everywhere in Kindergarten and the students are eager to write. They actively search the classroom for resources and love to write and illustrate their own original stories. We have enjoyed some classic spring reads this month as well and will begin an author series next week featuring Robert McCloskey! Such familiar titles as Make Way for Ducklings, Blueberries for Sal, and One Morning in Maine come just in time to coincide with the springtime and coming summer. In Bible time we will be learning about our resurrected Lord, Ascension Day and Pentecost.

New songs fill the air and can be heard down the hallway from our classroom. We have much to sing about when we think of all God has done for us this past year. As we wrap things up this last quarter I can say with confidence that we will be ready to move on to First Grade. And what a great class we have! I have SO enjoyed getting to know each unique personality and feel privileged to have been part of their growth this Kindergarten year. We praise the Lord for all of His goodness and blessings!

In His Service,  
Mrs. L. Jacob
