

ST. PETER'S KEYS

BE KIND!!!

February 7, 2022

CLASSROOM CORNER

“But when the kindness and love of God our Savior appeared, he saved us, not because of righteous things we had done, but because of His mercy.” Titus 3:4-5

Third graders have been doing a fantastic job in Reading and Math! We love reading! We are just starting a unit in Reading about “One of a Kind.” We will be reading about differences in people, the hottest, coldest, highest, and deepest places in the world, life during the Depression, and Gertrude Ederle...America’s Champion Swimmer. All of our stories will lead the way to deep discussions in our class. We are also heading to Neverland with *Peter Pan*. In Math, we are working on division. We will also be doing more in-depth work on fractions, bar graphs, pictographs, and line graphs. The students are also very interested in the fun we will have with probability. Currently, the students are taking timed tests for multiplication and division. Soon, they will be filling up their math facts pictures in class. They will have to earn a 100% on a timed quiz (1 minute) to fill in each flower for the different facts.

Science has been really exciting! We are just finishing a chapter on Describing Matter. We have learned about Describing Matter, Measurement, and Properties of Water. We even got to make Oobleck to see the states of Matter with solid and liquid. It was messy, but very fun! Next, we will be learning about How Matter Can Change and Mixtures. Also, in preparation for our chapter on animals, we will have butterfly caterpillars in the room. We will have the opportunity to observe them go through metamorphosis to become butterflies. It will be an amazing sight! In Social Studies, 3rd graders have been studying People on the Move. We read about Building New Communities, Moving to a New Home, and How Cities Grow and Change. We are now moving into how New Ideas Change Communities. We will be learning about how Inventions Shape Communities and about Making Communities Safer.

In Religion, 3rd graders are just starting a Unit on How God Hears and Answers His People. We will be discussing if God hears and answers our prayers, how we talk to God, how we live for Christ, why we pray “Thy Kingdom Come”, for what should we pray, how God helps us resist temptation, how God delivers us from evil, and why we can pray with confidence. These students love our discussions in class that share our thoughts, prayers, and questions. “Kindness” has been a phenomenal theme for our school this year! We love to share our love for Christ with our school friends and family! I love the giving hearts in my classroom. Every year here at St. Peter’s, I feel blessed to have my children, families, and friends at school.
