CLASSROOM CORNER

Love the Lord

Mrs. Delp/second grade

Mark 12:30 "And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength." Did you know that there are over 100 verses that tell us to love the Lord? The Israelites were constantly being reminded to love the Lord. It was commanded! I find that a bit sad that we have to be reminded to love the Lord. Every part of us should show it, our words, our actions, our priorities. We are learning in class that it is one thing to say you are a believer, but it is another to show it. One is lip service. The other is commitment. That is our goal, to be so committed that others see Christ in us and see our love for Him.

As we are learning to love the Lord we are realizing that it is not a "Sunday thing." It's an everyday thing! My talents are for the Lord, my attitude, my work ethic, my relationships are all for Him. Easier said than done, right? We are a small family in our classroom and sometimes we can get on each other's nerves. So as we strive to do our best during these dreary, sunless months (ugh), we ask the Lord to help us shine our light and show our love for Him because the other part of those verses are ...and to love our neighbor as ourselves.

We are focusing on telling time in second grade. Our class store is up to help us finish the unit on money. We are in the middle of the miracles of Christ and are making picture booklets that feature many of His miracles. We are memorizing the books of the Bible and the Apostle's Creed. In science we are learning about plants. We recently covered polar bears, snowflakes and the man named Snow Bentley who photographed snowflakes. We are studying the lifecycle of frogs and learning about them in reading as well as writing comparisons as we also study toads. We are continuing to increase our reading and spelling vocabulary and are learning to make our writing interesting as we study adjectives. The students have done a fabulous job with the computer program Typetastic, many are typing with two hands.

This is a hard working class and I am thrilled with the growth and progress each has made. Academics are very important, but as we have discussed in class the beginning of knowledge is the fear of the Lord. We have nothing and all of our hard work is worthless if we do not love the Lord.
