

ST. PETER'S KEYS

KEEP SHINING!!!

February 26, 2024

CLASSROOM CORNER

“Love is patient, love is kind. It does not envy, it does not boast, it is not proud.” 1 Corinthians 13:4

Third graders have been doing a fantastic job in Reading and Math! We love reading! We are just starting a unit in Reading about “One of a Kind.” We will be reading about differences in people, the hottest, coldest, highest, and deepest places in the world, life during the Depression, and Gertrude Ederle...America’s Champion Swimmer. All of our stories will lead the way to deep discussions in our class. In Math, we are working on division. We will also be doing more in-depth work on fractions, bar graphs, pictographs, and line graphs. The students are also very interested in the fun we will have with probability. Currently, the students are taking timed tests for multiplication and division.

Science has been really exciting! We are just finishing a chapter on Forces and Motion.. We have learned about Position and Motion, Forces, and Using Simple Machines! Next, we will be taking “A Look at Living Things.” We will eventually get caterpillars so we can see them go through metamorphosis! It will be an amazing sight! In Social Studies, 3rd graders have been studying Early Communities in America and People on the Move. We will be learning about New Ideas that Change Communities. We will be learning about how Inventions Shape Communities and about Making Communities Safer.

In *Bible Studies*, 3rd graders are just starting a Unit on How God Hears and Answers His People. We will be discussing if God hears and answers our prayers, how we talk to God, how we live for Christ, why we pray “Thy Kingdom Come”, for what should we pray, how God helps us resist temptation, how God delivers us from evil, and why we can pray with confidence. These students love our discussions in class that share our thoughts, prayers, and questions. “Shine” has been a phenomenal theme for our school this year! We love to “shine” and share our love and joy for Christ with our school friends and family! I love the giving hearts in my classroom.
