

ST. PETER'S KEYS

BE KIND!!!

January 24, 2022

CLASSROOM CORNER

"It's hard to believe that the school year is half over!" I don't know how many times I have said this statement over the years! Every school year seems to go by faster and faster.

As I look back over this last quarter, I am pleased with the progress that the students have shown in Spanish. The 5th graders continue to get excited over new things that they learn and are currently learning common conversation phrases and greetings. They are also finishing up a book on animals that they are making for the Preschool class. In grade 6 we are beginning to learn verbs and their meanings. The 7th and 8th graders just finished up a chapter on foods and will be creating a Spanish menu. They also continue to translate paragraphs from Spanish to English as well as writing paragraphs in Spanish as we look towards the Proficiency exam in June.

In Art, the students at each grade level have enjoyed doing some type of winter themed Art project. The kindergarteners through 4th grade all did different Art related snowmen. In the lower elementary level, we continue to work to improve the basic skills of cutting and gluing.

The students in fifth through eighth grade are presently working on tessellations. It is so much fun to see the students' creativity! The 7th and 8th graders also enjoyed making snowmen out of wooden spindles!

In Bible class, the 6th graders are learning about the life of Jesus after studying some famous people in the Old Testament from the beginning of the school year up until Christmas. We created a Venn diagram showing similarities and differences between Jesus as a boy and ourselves. We looked at Luke 2:52 to see some of the similarities. "And Jesus grew in wisdom and stature, and in favor with God and man." As these students continue to grow, my prayer is that they grow to become more and more like Jesus, who of course, lived a perfect life. We found Jesus' sinless life to be the main difference between Him and ourselves.

Ephesians 5:1&2 "Follow God's example, therefore, as dearly loved children and walk in the way of love, just as Christ loved us and gave Himself up for us..."

PASTORAL CARE

As you may have heard, Pastor Tom Thorstad accepted a call at a church in the Midwest and is no longer at St. Peter's. Please welcome Pastor Paul Saya to St. Peter's. As the Church Council puts together a Call Committee to begin the process of finding a new full-time pastor, the Church Council has hired Pastor Paul as a part-time Visitation and Administration Pastor. Pastor Paul will schedule time in the pastor's office in school and will be available to provide pastoral care to students, teachers, and families of students and teachers. He also plans to attend school chapels and participate from time to time. Pastor Paul will also be providing pastoral care to church members, attending church meetings, preaching at least once per month, and leading Bible studies. There will be other Pastors and church leaders sharing preaching responsibilities on Sundays with Pastor Paul. You can reach Pastor Paul at 716-807-4017 or Pastor@stpetersanborn.com
