

# ST. PETER'S KEYS

**BE KIND!!!**

**January 3, 2022**

## CLASSROOM CORNER

I truly hope everyone had a relaxing and enjoyable holiday with their loved ones. It was nice to take some time and remember what is important. As I was thinking about writing this, I kept thinking about Mrs. Scibetta's chapel the day we left and her use of the word SHINE. What a great word for the New Year!

In Matthew 5:16 it says, "*In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven*". We have the opportunity to SHINE every single day in this new year, no matter what it brings us. Our days may bring us some good or some bad, but you have the ability to SHINE through it.

The word SHINE reminds me as to why I wanted to teach. When you see the light shine of the students you are teaching, it is one of the most amazing gifts you can receive. As we enter the new year, I am excited to see my students SHINE. Some of them are already reading and more will start soon. They are so eager to SHINE. They will have an opportunity to SHINE in not only words and numbers, but we will also be learning about maps and animal habitats in the month of January. We will also continue practicing being KIND, which is another opportunity to SHINE.

I pray that everyone has a healthy and successful New Year. Remember to take time to SHINE your light every day.

Blessings,

Mrs. McKie
