CLASSROOM CORNER

There is something about flipping the calendar to January that makes it seem like the school year is moving along quickly. In Pre-K we have finished learning over half of the alphabet and we have only five numbers to cover after this week. For Pre-K-4, now that colors and shapes are completed, we start to add other learning like opposites, sorting, rhyming words, sequencing, phone numbers and addresses. We are also starting various science experiments. Before you know it, we will be working on being ready for Kindergarten.

Each morning in circle time we count by 10's the number of school days we have completed. Students are very excited as we close in on the 100th Day of school. On that day we will count by ones all the numbers to 100. Provided we have no days off the celebration should be on Friday, Feb. 10th.

Learning about Martin Luther King, Jr. and his mission of treating people equal was a big part of our learning the last two weeks and was tied into Bible lesson as well. We talk a lot about how Jesus wants us to behave and how that Devil tries to tempt us to do bad things. That foundation of always treating people kindly sometimes seems lost in our world so we strive to get these students off to a good start. Matthew 7:12 – So in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets.

God Bless!
