CLASSROOM CORNER

Welcome to 2021! As we start our New Year, I would like you to think of how you can share a religious message to others this new year. I hope these religious new year messages may help you to wish someone in this new year. Let God be the center of the celebration of this new year. Spread the word of motivation and spiritually celebrate this new year.

-With God as our Leader, may we be prepared to live another year under His guidance. Happy New Year!

-To all your family, Parents, children, siblings, I wish a very Happy New Year hoping their goals would be reached with love and peace. May God always be present in your life. Have a Happy New Year!

-Size, intensity, and nature of problem does not matter as long as you have your faith in God intact. Almighty will be with you and help you to overcome all your problems. Congratulations on this New Year!

-This New Year, May God answer all your prayers and grant you with whatever you desire in your life. Happy New Year 2021!

I'm looking forward to 2021 in seeing the growth in my class! In 5th grade, we have been busy showing joy, love, and peace this Advent with our daily readings, videos, and reflection journals. With our quick change before Christmas, the students were wonderful, adapting, and all met on Google Meets daily to discuss the lessons for the day. It was nice to see them and check in to guide their day. The students worked on and finished animal adaptation assignment presentation with Google Slides and FlipGrid. The students are always willing and excited to try new technology. We are also moving forward in mathematics learning how to do all operations of decimals. The students are doing wonderful turning in assignments virtually and in class. I am grateful to see everyone coming back!

NEW YEAR PRAYER:

Thank You Lord for giving me
The brand new year ahead.
Help me live the way I should
As each new day I tread.
Give me gentle wisdom
That I might help a friend,
Give me strength and courage
So a shoulder I might lend.
The year ahead is empty,
Help me fill it with good things
Each new day filled with joy
And happiness it brings.
Amen.
