ST. PETER'S KEYS

BE KIND!!!

June 13, 2022

CLASSROOM CORNER

We've got spirit, how 'bout you?!?!

There is so much for us to celebrate in Pre-K 3! We are not only cheering for our academic growth, but we are also celebrating how much we have grown in the fruit of the spirit. The world is a very big place to navigate when you are 3 and 4 years old. This year, we have concentrated on kindness and the love of Jesus to be our shining light to help us find our way.

The saying goes, the days are long, but the years are short. This couldn't be truer for this year in Pre-K 3. I can't believe we are here already, the end of our school year. The end of their FIRST school year! When Nana and I look around the room, we no longer see the uncertain little ones that walked through our door in September. We see growth, confidence and love. As we part ways for the summer, I get emotional even thinking about how quickly this year has flown by and how these babies have blossomed into kindhearted young people...who know SO much!!

This year we have mastered letter, number, shape and color recognition. We can write our alphabet, numbers to 10 and many can write their first and last names with phone numbers!! We have worked very hard on listening, following directions and using things nicely. But most important of all, we learned how to be a great friend and have fun while we learn!

This summer, I want you to have FUN! Play outside, make crafts, be silly, use your imagination, build a fort, make memories with your friends and family and have someone you love read to you every day! We are very much looking forward to seeing many of our kiddos back next year and have already made plans to keep in touch with ones going to a new school. So, that means it's not "goodbye". It's just, "I'll see you again soon."

And as we give these special kiddos one last hug, I want to leave them with one of my favorite verses.

Numbers 6: 24-26

“ The LORD bless you and keep you; the LORD make his face shine on you and be gracious to you; the LORD turn his face toward you and give you peace. “

In peace, love, kindness and preschool fun,
Mrs. Reiller and Nana

END OF YEAR BASKET AUCTION

Once again, I would like to say a special thank you to everyone who supported our End of the year Basket Auction. Through the generous donations we were able to have 146 selections. The items were amazing! Our profit was \$3,150, the most we have ever made on a basket auction!

Thank you for supporting our wonderful school!! We hope to have our next one in the fall.

MEDICATIONS IN SCHOOL

If your child had a Dr.'s authorization to have medical supplies/devices at school, a parent must pick up these medical supplies/devices (i.e. inhaler, epi-pen, medications, etc.) in the office on the last day of school, June 16th. Medical supplies/devices CANNOT be sent home with a student. Nothing can be left at school. All supplies/devices must be sent in at the beginning of the 2022/2023 school year with a current script from the doctor. Any questions, please contact the office.

SUMMER OFFICE HOURS

Hours for the office are reduced in the summer months. If you need to contact the office, please call and leave a message. The answering machine will state the office hours for the week. If we are not in the office, we will return your call as soon as we can.

Thank you!
