ST. PETER'S KEYS

CHOOSE JOY!!!

March 6, 2023

CLASSROOM CORNER

Greetings from 4th and 5th Grade!

Whether you turn to the right or to the left, your ears will hear a voice behind you, saying, "This is the way; walk in it." Isaiah 30:21

We have reached the 3rd quarter! This tends to be one of the toughest quarters in the school year. Students think that the work never ends and the winter weather seems to drag. It is the perfect time of year to hold "Celebrate St. Peter's Week". It gives everyone a chance to take a break from the routine and participate in meaningful, whole school activities.

Our theme has been, "Oh, the Places You'll Go!". The students have been and will be exposed to areas that we can "GO" in life. In preparing for the week, I came across a verse from Isaiah. Chapter 30 verse 21 says, "*Whether you turn to the right or to the left, your ears will hear a voice behind you, saying, "This is the way; walk in it."* It almost has a Dr. Seuss feel to it. It is reassuring to know that we have that voice behind us to lead us. The trouble sometimes is listening to that voice. I knew in kindergarten that I wanted to be a teacher. Luckily, that path was set in my mind at a young age. I consistently knew that was the path God wanted me to take. It wasn't always a straight and easy path, but he was there through it all. I am grateful that my path has led me to St. Peter's and kept me here.

What's happening in 4th and 5th???

- ELA- Students have chosen their own books after reading they complete a response based on the skill or strategy taught in class. Soon we will be starting a cross curriculum "Hero" unit.
- Math- 4th Grade- Fourth graders are working on adding and subtracting fractions with like and unlike denominators.
- Science- Science has us finishing up studying erosion and moving on to soil, rocks, and minerals.
- Social Studies- We are exploring Canada and all it has to offer.

If you haven't sent in your \$25 in lieu of participation, please do so immediately. We had a very successful fundraiser and the profit was right around \$3,400.
