

# ST. PETER'S KEYS

*My Life is in Your Hands, Lord*

**March 22, 2021**  
**CLASSROOM CORNER**

March Madness!!

As we make our way through spring, I am reminded of a verse in Psalm 1:3. *"He shall be like a tree, Planted by the rivers of water, That brings forth its fruit in its season, Whose leaf also shall not wither; And whatever he does shall prosper."* Spring is a time for growth. In nature, that comes from the right combination of sunlight and water. For our spiritual lives, it comes from the right combination of time with God in His word and time with other Christians in fellowship. I am so thankful that God has planted us in His rivers of water and that He always has plans for us to prosper and grow!

We continue to work hard in middle school English. In both ELA 6 and ELA 8, we are working on writing argument essays. The 6<sup>th</sup> grade essay's topic is on a "rule to live by" for Heathy Habits and the 8<sup>th</sup> grade are defending Atticus Finch's decision to take a stand. Our ELA 7 students have been working on a research project to discover information on the working conditions of a modern day garment industry. We continue across the board, in English, to focus on reading for gist, context clues, and answering text dependent questions. They have been doing well and plugging right along.

In middle school Math, we continue to work on honing our new math skills and concepts. Our Algebra 1 students have entered the world of sequences, and have been learning all about how they are used in the "real world." In Math 7, we are just beginning to discover the field of Geometry and all the symbols and terms that come with learning that new language!

We are ever growing in many ways daily. I praise the Lord that He promises for us to prosper as long as we stay planted in Him. Have a great Easter!!

God Bless,  
Mrs. Elias
