**BE KIND** to one another, tenderhearted, forgiving one another, as God in Christ forgave you.  
Ephesians 4:32

It's nice to know that someone has gone out of their way to do something nice or thoughtful for you, and we remember that single act of kindness. Sometimes it's as simple as a pleasant smile, a warm handshake, sending an email or note, inviting someone to dinner, or helping a neighbor with a household project. After all, the greatest thing anyone can do for his/her Heavenly Father is to be kind to His other children.

We have been pressing on in middle school Math and ELA. Our 7<sup>th</sup> graders have just finished their Go Math books and have begun work on the 8<sup>th</sup> grade material. They are each on track to take Algebra I next year, making them very excited to advance into the higher-level curriculum. In 5<sup>th</sup> grade math, we are beginning a new chapter on graphing and the coordinate plane while our 8<sup>th</sup> graders are finishing up their textbook with the study of statistics. Meanwhile, in ELA, 6<sup>th</sup> grade is beginning work on writing a newspaper article about the 1906 San Francisco earthquake/fire and 8<sup>th</sup> grade is focusing on writing an essay concerning the invisibility felt by the P.O.W.'s and Japanese Americans during World War II.

Being so near the end of the year can occasionally be a struggle, but we have stayed the course and are going to finish out the year strong. Let's all try to do a random act of kindness today to show the world the love of our amazing Heavenly Papa!!

Mrs. Elias

Students of St. Peter's in Pre-K thru 8<sup>th</sup> grade,

**St. Peter's Church would like to invite students and their families to join us: Sunday, June 5<sup>th</sup> at the 8:30 am service and have the students share our theme song for the year, "Give a little Kindness."**

The past couple years have been very different for everyone but at St. Peter's it has meant not participating in Church services, Preschool programs or end of the year school program and picnic.

At a recent meeting student participation was discussed and it was asked if it would be possible to have students sing in Church again, so I offered to try and coordinate it.

This is not a mandatory attendance for your child's classroom, we are just asking that those who can join us do so. Please reply below, either way, so that we know we have enough students that will participate. The students know the song but we will practice as a group with those students that are participating prior to the service on June 5<sup>th</sup> in school. Students will sit with their family and come up during performance time.

We would love to see everyone join us, but we understand if you have other commitments.

Thank you!

Mrs. Sherry DeVantier (Pre-K-4)
