CLASSROOM CORNER

Lutheran Schools' Field Day 2022

The last time we had a Field Day with our friends from the area Lutheran Schools was in 2019. The plan is to have this event this year on Friday, June 3rd at Fairmont Park. Because we have been unable to have field trips the last two years, this day should be a lot of fun as we have a special day outside of our school building.

Many of you have never participated in a Field Day or may have forgotten so let me explain how it works. This day is for our students in grades K-8. (Preschool will have a regular full day at school.) It is considered a school day so attendance will be taken. We begin Field Day with devotions and then classes are divided up based on grade level. They travel as a group from event to event. Ribbons are awarded for each event. Teachers and Parent volunteers help run the events. The day ends around noon and students are dismissed from the park to their parent. So here is a quick summary:

- Field Day 2022 on June 3rd at Fairmont Park in Wheatfield (address to be provided later).
- Students will meet at school for attendance. (Normal morning buses will be provided.)
- Parent driver will be needed to transport your child to the event and to take home once completed. (Exact timeline will be given as time nears.)
- Students will stay with their class and travel to each event. (Teachers and Parent volunteers will help run each event and encourage students to have fun and try their best.)
- Once events are completed, parents will sign their child out with the teacher. You may stay at the park and enjoy time there or head home/elsewhere. We will NOT be returning to school and there will NOT be afternoon buses.
- This is meant to be a fun day where we enjoy being outside and with our friends from the other schools. I will share more specific information as the event nears. I look forward to seeing many of you on this day!
