

ST. PETER'S KEYS

My Life is in Your Hands, Lord

May 3, 2021

CLASSROOM CORNER

“So let’s not get tired of doing what is good. At just the right time we will reap a harvest of blessing, if we don’t give up.” Galations 6:9

We are in the final ten weeks of school. The kids are getting tired. They are tired of the school work, tired of the masks and tired of the social distancing. Doing the same thing over and over can get boring. And I know it is boring when I hear the sighs, but the Bible says we should never get tired of doing good things. We should never give up, get bored and quit. Continue to do good things and don’t give up, because God is worthy of it. And he promises to bless those who obey and serve him!

First grade is hard at work every week adding new words to their vocabulary, reading stories, learning spelling and sight words! We will be finishing our lessons about pennies, nickels, dimes and pennies! Our big test is Friday. We have been busy learning about Saving Our Planet! Each child went into their recycling bin and took something out and created a whole new object! We were reusing old items! We had a lot of cool ideas. Some kids made musical instruments, some kids made toys (a bear, a rocket, a walkie talkie, and an inchworm), someone made a math game, someone made a pencil holder, and even a fort! First graders may be small, but they have BIG imaginations. We just finished reading The Tale of Desperaux. It is the story of a mouse, a princess, some soup and a spool of thread. Have you read it? If not ask a first grader about it!

Have a great week!

DRESS/APPEARANCE CODE

Just a reminder...as per our Family Handbook...St. Peter’s limits the wearing of shorts to May/June. Shorts should not be shorter than halfway between the knee and the hip. Each teacher will enforce this dress code in the classroom. If the appropriate dress code is not followed a phone call home will be made to bring in a change of clothes.

Also, please keep in mind gym/recess is taken outdoors in good weather. Parents should be sure students are appropriately dressed.
