BE KIND!!!

CLASSROOM CORNER

Busy Bees

Second Grade/Mrs. Delp

In second grade when you are BEEing a good listener, or BEEing a hard worker, or BEEing a kind friend you earn a headband to wear that looks like Bee Antennas. The students love earning these because it means more chances in the goodie box. I love it when they earn these because it means they are on the road to success. Listening, working hard, and being kind are all key ingredients to being a wonderful student, daughter/son, worker, and child of God.

We are learning about the Israelites in Bible and how the Lord protected them through the Exodus and provided for them in the wilderness. In math we just finished place value and are now working on addition. The class loves playing "Around the World" and "Kahoot." We have just started cursive! Some students are better at cursive than manuscript and we are enjoying writing our letters each day. In second grade we are mastering our blends and building our reading vocabulary as we tackle many different genres of stories. We've worked on communities, maps, and landforms in social studies and are learning about weathering, erosion, rocks, and minerals in science. We are also developing good writing skills as we make a different book each week in creative writing. Computer skills is another area that we are working on through our ICCornerpads and laptops as we learn the keyboard, type out our spelling words, play games, and soon write stories.

As you can see we are busy bees! I am so thankful for how they love to come to school, see their friends, and do their work. It is amazing to see how far they have come since the first day of school which wasn't all that far in our past. Every day we start with the verse "I can do all things through Christ who strengthens me" Phil. 4:13. This is an awesome reminder to the students and myself. We have those days when we are struggling just to get to school and get going, but the Lord helps us. We have more strength than we know, yet we tend to look at our circumstances rather than asking the Lord for His strength. That's how we are able to BEE what He wants us to BEE.
