

ST. PETER'S KEYS

BE KIND!!!

November 22, 2021

CLASSROOM CORNER

Thanksgiving is coming! Third graders have much to be thankful for! 1 Thessalonians 5:16-18 says, "Rejoice always, pray continually, give thanks in all circumstances, for this is God's will for you in Christ Jesus."

Religion is so enjoyable in our room. We love to take turns praying aloud and sharing devotions in our class. We are learning about God the Father's Gracious Gifts. We are learning about the spirit of "Giving." We are also learning about how God cares for us and how we can use God's gifts! Reading for enjoyment has always been a passion of mine! I love to share my love for reading with my students. In our next Unit in Reading, we are studying about People and Nature. Our story we will be reading is about a little girl known as the "Gardener" in her Uncle's neighborhood. This little girl loves flowers! She plants a flower garden on the roof of her Uncle's bakery using seeds her Grandmother sent her, and whatever she can find to plant them in. We are also reading multicultural stories from all over the World! These stories are opening our eyes to other cultures and what is going on in the world with kids our age.

Third grade has been working hard to learn their multiplication and division facts! To help assist in learning their facts, the students have been using the "Touch Math" program. The students are able to learn and understand how to multiply and divide with the benefit of Touch Math. This program involves using counting techniques with dots in certain places on every number. Each number is skip-counted a specific way. Currently, the third graders are starting to take timed multiplication and division tests!

In Science, we are studying Adaptations and Survival. We have been learning about Change Over Time, Animal Senses, Plants and Their Surroundings, Changes in Ecosystems, and Pollution & Conservation. The students worked in pairs to research an animal and how it uses its senses in the environment. They did a terrific job! In Social Studies, we are learning about Early Communities in America. We have been learning about the Anasazi and the Community of Jamestown.

As we enter this whirlwind of a holiday season, take time to give if able. We can be thankful and give with a cheerful heart!

"Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver."
2 Corinthians 9:7

CHRISTMAS KINDNESS

For the Upcoming Holiday Season, we are asking each family to prayerfully consider how they can participate as we look to provide items that will be distributed to families in need.

Please see the Looking Ahead Section on this page for items to send in each day.

BASKETBALL PARTICIPATION

Basketball Participation forms were due last week. The nurse has reviewed the forms that were sent in. If you did not receive a call from her, assume your child is OK to practice and play. If you have not sent in your uniform deposit, please send into the office immediately.

PICTURE RETAKES

Picture Retake Day is tomorrow, Tuesday, November 23rd. If your child had their picture taken on October 6th, you should have received these photos or an "It's Not Too Late To Order" Card. If you would like a retake, please have your child bring in the picture package or card on Picture Retake Day.

If you have any questions, please contact INTER-STATE.COM/ORDER.
