

# ST. PETER'S KEYS

*Walking in His Steps!*

**November 25, 2024**

## **CLASSROOM CORNER**

Happy Thanksgiving! This will be a busy week for a lot of people: traveling, cleaning, cooking and of course eating. Be sure to take time out to be thankful.

Enter his gates with thanksgiving  
and his courts with praise;  
give thanks to him and praise his name.  
Psalm 100:4

We have been busy working in 4<sup>th</sup> and 5<sup>th</sup> grade. We finished our novel study of the Wild Robot with a field trip to the movies and lunch. It was a great adventure. I loved the fact that most, if not all the students said the book was better than the movie! I am thankful they all enjoyed the book so much. We have been working on lengthening our written responses using text evidence in ELA and will soon be starting a new book when we return from Thanksgiving break.

Math has brought a lot of using our multiplication and division skills. We are expanding into using larger numbers and more difficult word problems.

We are learning about technology in Science and that includes a little more conversations about robots. Social Studies has been focusing on current events and learning about voting and the election process.

We took some time out to write down one thing we are thankful for and why.

"I am thankful for my family because they make me feel loved and happy." – Emma

"I'm thankful for my dad because he protects and provides for me." -Emelia

"I'm thankful for my church because my pastor's wife is so nice to me. She loves me so much." -Evelyn

"I am thankful for my family because I love them." – Luther

"I am thankful for my family because my family is the best family." -Luciano

"I'm thankful for my dad because he does a lot for me, and he is also my hero. He has also been there for me for my entire life." -Paige

"I am thankful for my Warriors books because they keep me entertained when I am bored." -Stella

"I am thankful for my family because I would not exist without one." -Lucas

"I am thankful for my bestie because she will always be there for me, and she is an amazing friend." -Stell

"I am thankful for my friend because she is my bestie, and she is kind and funny." - Charity

"I am thankful for my family because they put food on the table." -Arianna

"I am thankful for my teacher because she is really good at teaching." -Camden

"I am thankful for my friends because they make me laugh and also make me happy." - Caden
