

ST. PETER'S KEYS

BE KIND!!!

November 8, 2021

CLASSROOM CORNER

As I look back on this first quarter of school, I am pleased with the progress that the students have shown in Spanish. The 5th graders are excited about learning a new language and began by learning color words, numbers and some common greetings. In 6th grade the students have been expanding their Spanish vocabulary by learning Spanish expressions, family vocabulary, classroom vocabulary and words that are similar in both Spanish and English. The 7th and 8th graders have been concentrating on the vowel sounds and pronunciation of words as well as increasing their vocabulary. We have concentrated on translating Spanish into English to help us prepare for the Spanish Proficiency exam in June.

In Art, the students in Kindergarten through grade 5 started out the year by doing a project related to this year's school theme, "Be Kind". The Kindergarten students made a poster that is hanging in the hallway while using their cutting and gluing skills as well as following a color pattern. Other students decorated a mosaic border or a colorful zentangle border around the theme. Grades 2-4 drew pictures of themselves doing something kind and they were used in making a kindness quilt for the hallway. We have also enjoyed doing projects centered around the fall season including squirrels, scarecrows, watercolors, and fall collages.

I have the privilege of teaching 6th grade Bible again this year and we have been learning Bible stories from the Old Testament starting with creation and the Fall. We are currently learning about God's promises to Abraham as well as to mankind. The students discovered that there are over 8,000 promises from God in His Word! During such troubled times as we are experiencing in the world today, we can be encouraged by God's promises. John 16:33 says, "I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."
