## **CLASSROOM CORNER**

*“Show me your paths and teach me to follow; guide me by your truth and instruct me. You keep me safe, and I always trust you.”* Psalm 25: 4-5. This bible verse reminds me of the expression, “When one door closes, another one opens.” As many struggle through this difficult time, remember to trust in the Lord to open the right doors for you and pray for God’s will in your life.

Math, Social Studies and Science classes at a glance:

In Middle School Math, ratios and proportions seem to dominate the first module of the 6<sup>th</sup> grade curriculum. The 6<sup>th</sup> grade concentration involves solving ratio and rate problems using various tools such as a double number line, tape diagrams, tables and graphs on a coordinate plane. The 8th grade math students recently wrapped up a module on exponents and scientific notation and are now completing their first unit in Geometry that deals with the concept of congruence. In this module, the students learn about translations, reflections, rotations, and how to sequence basic rigid motions.

The 6<sup>th</sup>, 7<sup>th</sup> and 8th grade science classes started out the school year learning about the Scientific Method and how it applies to science. For the 7<sup>th</sup> and 8<sup>th</sup> graders, our current unit of study is Earth Science. Students are learning about the Earth’s systems and how they interact. The 6<sup>th</sup> graders unit of study is Physical Science. They are learning about the laws of motion, energy and simple machines.” In social studies, the 6<sup>th</sup> graders started off the year exploring the historical events of ancient civilizations beginning in the year 8000 B.C. with the Agricultural Revolution, Mesopotamia, followed by Ancient Egypt.

I am so thankful to back in school and looking forward to a healthy productive school year.

Mrs. Ferguson

## **MIGHTY NIAGARA DISCOUNT CARDS**

We still have some Mighty Niagara Discount Cards left if you are interested in purchasing. This card gives a lot of great discounts (our favorite is the Tim Horton's in Niagara Falls and Sanborn)! Any questions, please feel free to call/text Brenda Walck at 695-4374. New this year —payment may be made via Venmo app.—\$20 per card to @Brenda-Walck.

If you would like to purchase a ticket, please send in your money with information as to who to send ticket home with, or contact the office at 731-4422 or Brenda Walck at the number above.

## **PICTURE RETAKE DAY**

Picture retake day will be Tuesday, November 10th. If you were absent or have viewed your pictures online and would like a retake, you can have a retake done on this day.

If you need the original order form, please contact the office at 731-4422.

## **CHIPOTLE FUNDRAISER**

Want to eat delicious Chipotle food and help support St. Peter's Lutheran School? Here is how you can do that. The Chipotle Fundraiser event will be held on Wednesday, November 18th from 4—8 pm at the NIAGARA FALLS LOCATION ONLY. Bring in the flyer, show it on your smartphone or tell the cashier you're supporting St. Peter's Lutheran School. This will ensure that 33% of the proceeds will be donated to St. Peter's Lutheran School.

You can also use code 6LVKDKF before checkout in "promo" field if you order online. Orders placed on Chipotle.com or through the app for pickup using this unique code will be counted towards the fundraiser.

Contact the office if you need additional copies of the flyer... 731-4422.
