CLASSROOM CORNER

“And whatever you do whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him.”

Colossians 3:17

Kindergarten sends their greetings! It is that time of year again when we stop and reflect on all the blessings our Lord has bestowed upon us. It's the big things and the little things, the exciting and the mundane, the things “easy to take” and the things “not so easy to take.” I love working with five year olds because their honesty just comes through with everything they say and do. Their innocence is refreshing and theirs is the closest I witness to pure thankfulness. They truly understand how much God loves them and realize everything they have is from Him. They may skip the part about how hard Mommy and Daddy work to make these things happen, but that is for another day!

We began our month with our annual Reformation Party. We celebrated learning all about Martin Luther and mastered the truths represented in the Martin Luther's Seal. They were very proud of themselves and truly understand now that salvation is free and only by God's Grace.

In Language Arts we continue to build our Sight Word knowledge and are putting letters together to form words. The little “Take Home Readers” have been excellent practice for early reading. We are growing at our own pace and blossoming in the area of beginning writing too. You should see our journals! In Math we had a fun chapter on Patterns and now are exploring Number Concepts Through Ten. Many have counted to 100 already and the rest are working hard to master that.

In Social Studies we are very excited to be learning about the First Thanksgiving. The class is really interested in the Mayflower and learning all about those pilgrims from England that came and settled in America, learning from their Native American friends. Happy Thanksgiving! We are so grateful to be here together each and every day! God Bless You!

In His Service,
Mrs. L. Jacob
