CLASSROOM CORNER

Get the Boots

Mrs. Delp/Second Grade

When I was a teenager, I would go to my dad and ask him for money to buy winter boots. He would readily give me the money, but then I would get to the mall and see so many other things to buy that were much more appealing like a new outfit This would happen several times over. Me asking my dad and him giving me the money. He would start laughing at me wondering when I will ever learn. In college walking to classes my ankles would get cut on the snow with the hard crust of ice. I would think, ugh, I should have gotten the boots! Boots just weren't cool back then. I can happily say now that I own several pairs of boots. But I will always remember my dad lovingly giving me money for my boots and laughing at my craziness. It reminds me of how the Lord provides so many gifts, many I take for granted and some I don't use. We are surrounded with God's love, mercy, and grace. Yet, we tend to only see what we don't have.

One of the beautiful gifts that the Lord gave me is the second grade class. They are tremendous workers! I am so thankful for them. We tackle so many subjects each day. I put them on a daily typing and math fact program that a few have already completed! We are able to do projects in the kitchen and fun crafts because they listen so well. In math we are working on double digit addition. We are learning the books of the Bible and have memorized all of Psalm 1. The second graders love cursive handwriting and it shows. We are working on several creative writing projects and are increasing our reading vocabulary as well as our fluency. These are just a few things that they have accomplished. What a wonderful blessing they are, a fantastic gift from God.

Look at your daily life, see the needs and areas of improvement, but embrace the gifts that God gives us DAILY. He's an awesome provider and ever so patient, even more so than my earthly father-get the boots, accept the gift.

James 1:17

"Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows."

CHRISTMAS KINDNESS PROJECT

It's that time of the year where we are looking to spread some JOY to those in need. Our Christmas Kindness Project is about to begin. Please see the attached flyer with a list of items that we will be collecting and distributing to The Lighthouse Women & Children Center in Niagara Falls. We are always happy to help our dear friend Joanne Lorenzo in this area of ministry.

In addition to the items listed on the flyer, they are always in need of peanut butter and jelly. If you would like to include some Christmas candy goodies that will be appreciated., as well. Thank you for helping us spread JOY this Christmas season.
