CLASSROOM CORNER

As I look back on this first quarter of school, I am pleased with the progress that the students have shown in Spanish. The 5th graders are excited about learning a new language and began by learning color words, numbers and some common greetings. In 6th grade we started the year out with a new textbook where the students have been expanding their Spanish vocabulary by learning Spanish expressions, family vocabulary, classroom vocabulary and words that are similar in both Spanish and English. The 7th graders have been concentrating on the vowel sounds and pronunciation of words as well as increasing their vocabulary. Learning vocabulary related to food will be followed by the 8th graders creating a menu.

In Art, the students in Kindergarten through grade 5 started out the year by doing a project related to this year's school theme, "My Life is in your Hands, Lord". The Kindergarten students made a poster that is hanging in the hallway while using their cutting and gluing skills as well as following a color pattern. Other students decorated a mosaic border or a colorful zentangle border around the theme. We have also enjoyed doing projects centered around the fall season including squirrels, scarecrows, watercolors, and fall collages.

I have the privilege of teaching 6th grade Bible this year and we have been learning Bible stories from the Old Testament starting with creation and the Fall. We are currently learning about God's promises to Abraham as well as to mankind. The students discovered that there are over 8,000 promises from God in His Word! During such troubled times as we are experiencing in the world today, we can be encouraged by God's promises. John 16:33 says, *"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."*

In Christ,

Mrs. Licht

TOWELS FOR THANKSGIVING

Please join us in supporting Thrivent in their effort to give to Passage House, a domestic violence shelter for women and children. Thrivent is a Lutheran Financial Services Company who financially supports St. Peter's in many of our fundraising and school wide activities. They will be collecting brand new towels of any kind to donate to Passage House, and we would like to be part of their effort.

Between now and Monday, November 23, we will be collecting brand new towels for this cause. They will use these towels at the shelter or to help individuals establish a new household. If you have any questions, please contact Mrs. Scibetta or Mrs. Whalen. Any donation you can give is appreciated, no matter how big or how small.

We can't wait to support Thrivent with this wonderful cause of giving!

LEARNING MODEL FOR SECOND MARKING PERIOD

Our First Marking Period Closes on Friday, November 13, 2020. We are asking each family to review the current plan their child has in place whether it is In School Learning or Remote Learning. If you wish to continue as you are, then nothing needs to be done. However, if you wish to switch your child's learning model, we ask that you contact Mrs. Scibetta (731-4422 or mrsjmsicbetta@gmail.com) by Friday, November 13. The plan chosen will be in place for the Second Marking Period which runs from November 16-January 22, 2021. Thank you for your continued support of St. Peter's as we do our best to provide a wonderful education and safe environment for your child. We continue to pray for each of our family members.
