BE KIND!!!

CLASSROOM CORNER

Hello from First Grade!

We have had a wonderful start to our year in our class! Our classroom theme for the year is "Be A Star" as we learn not only our academics but also how to be more like Jesus every day! What does it mean to be a STAR?

- S – Shine your light (Matthew 5:16)
- T – Talk to God (1 Thessalonians 5:17)
- A – Always be kind (Ephesians 4:32)
- R – Read God's Word (2 Timothy 3:16)

In Math, the students have learned all about addition and are now working on learning subtraction. Animals are everywhere in our classroom as they are a focus in both our Reading and Science lessons! Our lessons in Social Studies have the class looking at how things have changed in family life, school, communities, and work from the past to the present. (It is wonderful to know that even though everything around us changes, God never does! He is the same yesterday, today, and forevermore! Praise the Lord!) Sometimes changes can be scary, but we have learned during Bible class that God is always with us, and we can turn to Him in all times, especially when we are afraid.

Each day the students enjoy Center time when they can work on important First Grade skills with a partner by completing a fun activity.

Our days are busy, but we have had fun learning and spending time together as a class. We are looking forward to a great year in First Grade!
