ST. PETER'S KEYS

KEEP SHINING!!!

October 16, 2023

CLASSROOM CORNER

The first days of school and getting to know all these new students seem so long ago. It is already mid-October. The weather has shifted to Fall but we sure enjoyed what they were calling “extended summer” and extra time on the playground. In Pre-K-4 we love celebrating Fall and enjoying all the beauty of the season. We love it when the chilly mornings turn to warm sun throughout the day. We love watching the beautiful colors of the changing leaves and we like to learn about all those things that are harvested in the Fall.

We had a special week learning about apples. We taste tested different varieties, and we also baked a preschool favorite, Apple Pizza’s! We had an in-school field trip to learn about pumpkins and to celebrate the season. In Bible lesson we finished learning about creation and there is no better display of God’s beautiful world than in the Fall. God has a plan for all of us and for everything and each season has a purpose.

We are looking forward to Open House this week and the students are excited to bring their family in and show them around and give them a sneak peek of their Bible books and “All About Me” books they have started but if I’m being honest, they are probably more excited about the Ice Cream that will be provided by the school board.

We hope you all take time to enjoy the beautiful Fall season and the beautiful world God has given us.

*The grass withers and the flowers fade but the word of God endures forever.

Gods Blessings!
