

ST. PETER'S KEYS

CHOOSE JOY!!!

October 17, 2022

CLASSROOM CORNER

The Lord is my strength and my shield; my heart trusts in him, and he helps me. My heart leaps for joy, and with my song I praise him.

Psalm 28:7 NIV

It's an exciting time in 7th and 8 grade! Our New York City trip is back! The kids are very excited. Planning and fund-raising are in full swing for the class trip in May. Our first big fund raiser is a Chiavetta's barbecue which will be held on Thursday, November 10. Ticket information will be available in the Keys.

The 7th and 8th graders started off the school year sharing their message of joy and generosity during chapel on September 15. We found that one way to share joy is through our generosity. They did a wonderful job spreading our message as they shared the many ways St. Peter's church parishioners help our school and how we as a school can return the generosity.

Math, Social Studies and Science classes at a glance:

In Middle School Math, the 6th graders are completing a unit on Numbers. They have been exploring integers and its real-life applications, factors and multiples, and rational numbers. The 6th, 7th and 8th grade Science classes started out the school year learning about the Scientific Method and how it applies to science. For the 7th and 8th graders, our current unit of study is in Earth Science that includes studying how the Earth's systems interact and about the Earth's atmosphere. The 6th graders unit of study is in Physical Science. They are learning about the laws of motion, energy, and simple machines. In Social Studies, the 6th graders are exploring the historical events of ancient civilizations beginning in the year 8000 B.C. with the Agricultural Revolution, followed by Mesopotamia, and Ancient Egypt. The 7th and 8th graders started off the year reviewing concepts of the Civil War. As we move on to the late 1800's, we are learning about the struggles of the westward expansion and the industrial age.

Our school year is off to a great start and the students are working hard as we Choose Joy.
