ST. PETER'S KEYS

KEEP SHINING!!!

October 23, 2023

CLASSROOM CORNER

WOW! Kindergarten cannot believe that we are entering the last full week of October. It felt like just yesterday school was beginning. We have gotten used to the new rules and routines of Kindergarten and have done a great job transitioning from Pre-K 4. Over the past two months, we have done a lot of cool stuff. Some of our favorites have been our Pumpkin Party, our in-school field trip to the petting zoo, and learning about God. We have talked a lot about sin, how to ask forgiveness, and how God always keeps his promises. We are excited to continue growing in our faith together throughout the school year.

We have learned so much so far this year. We just finished our ABC Bootcamp, where we focus on one letter of the alphabet everyday. We are now spending time reviewing all of our letters and letter sounds before starting our curriculum and beginning to read. In math, we have been focusing on numbers 0-5. We learned how to write them and how to compare them! We will now start learning about numbers 6-10. In science, we are learning about the four seasons and ways to take care of our earth. We will continue to learn a new bible story every week, along with activities and mini lessons too. This week, we are learning the story *Jacob Lies and Runs Away*.

We are excited to see what else this school year has in store for us. We will continue to "Shine our Light for Jesus" and for Liam!

Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths.
