

ST. PETER'S KEYS

BE KIND!!!

September 13, 2021

CLASSROOM CORNER

2 Peter 1:2 *May God give you more and more grace and peace as you grow in your knowledge of God and Jesus our Lord.*

I am very thankful that we made it through our first week of school without any major incidents! God is indeed good.

It was with a joyful heart that I welcomed fifth graders into their classroom. We are working on learning our schedule as it is challenging at times. They are keeping me on track that is for sure! We are looking forward to the many books we will be reading this year, the writing tasks we will have, and the fun of learning about the country we live in. Most importantly, we are thankful that we are able to read our Bible while in school. This is truly a blessing as we continue to strengthen our faith as we learn more about our Lord and Savior, Jesus Christ.

Last week in 7th and 8th grade Social Studies, we discussed the 20th anniversary of the 9/11 terrorist attacks on our nation. We watched some videos that showed many wonderful heroes from that day. Each student had the assignment to ask a family member what they remember from that day. We will be sharing these stories throughout the coming week. I am looking forward to spending time with these students each day

Please know, that each day, I lift each of our school families up in prayer. If you have a specific need, please don't hesitate to share with me. I consider myself a prayer warrior and I would love to pray on your behalf. Have a wonderful week!

Please **DO NOT** park in handicapped spots unless you have a handicapped tag (even if you are just dropping off). Also, please do not make your own parking spots. Our lines are there for a reason.

Buses: Please be aware that you cannot pass a stopped bus with the lights flashing. Bus dismissal will be at the new entrance.

Parent Pick Ups: If your child normally rides the bus and you will be picking your child up, please be sure that you send a note to your child's teacher. Telephone requests are reserved for Emergencies only. Also, you must let the office know you are here to pick up your child. Dismissal will be at the old entrance.

LUNCH ROOM REMINDERS

Please remember, if your child requires a spoon, fork, plate or napkin for their lunch it must be sent in their lunch. **Microwave ovens are not available for the students to reheat food at this time.**

The price of milk will be \$.25 per container. If milk money is forgotten they are allowed to have it and payback the next day. We will again be offering 1% white milk and non-fat chocolate milk.

Ice Cream again will be available for the price of \$.75 each. Bottled water at the price of \$.50. Snack at the price of \$.50. For those of you who are new to the school, a snack box is provided at lunch for sale by our 8th Grade Class. An assortment of chips, pretzels, fruit snacks, etc. are available.

JV AND VARSITY SOCCER

All completed soccer forms, physicals and uniform fees were due into the office. The nurse will be reviewing all forms and you will be notified if there is a problem with the form or physical. All students must be cleared by the nurse before they can practice and play soccer.

At this time, we do not have enough students interested in soccer to field both teams, so all students in grades 4-8 will be on the VARSITY Team. However, because of the age difference there may be a limit on playing time for our younger players. More information will be given once practices begin. We will let you know once we have more details on practices and games.
