ST. PETER'S KEYS

KEEP SHINING!!!

September 18, 2023

CLASSROOM CORNER

Welcome back! We just finished our first full week of school! I am exhausted and exhilarated at the same time. The beginning of the school year is my favorite time of year. There are new clothes, brand new Crayola crayons, fall time, football, new routines, and a fresh start to a new school year. As exciting as the new school year is, it is also exhausting. Setting new routines and practicing those routines with a whole new group of students can be hard.

The start of this year has my class working hard on learning to follow directions. The jump into 4th and 5th grade gives way to more independence. But the key to that is following the set of directions that was given, to complete the task independently. It has taken lots of practice, but we are getting there. God wants us to listen to his directions, too. That can take lots of practice as well. As I sit here writing this, my students are in Bible studies, and they are constantly studying the book of directions that we were given to live this life...the BIBLE. How lucky are they, to be able to do that and shine for Jesus every day.

“So you shall be careful to do just as the Lord your God has commanded you; you shall not turn aside to the right or to the left.” Deuteronomy 5:32

Students in 4th and 5th grade are starting their morning with mini projects to get their brains working. In ELA, we just finished reading *The Hundred Dresses*, which reminded us how to treat others with kindness and respect. Starting in math we are doing intense multiplication practice before moving on to our first units. Science has us exploring what scientists do using the scientific method. Social Studies we will be exploring New York state history.

We are looking forward to a year of growth!

Blessings,

Mrs. McKie

SHINING LIGHT FOR LIAM

Each week we collect an offering during our Chapel on Thursday. It can be brought in anytime during the week. Our offerings this year are going to help support Liam, a boy who has cancer.

This week in Chapel, we are learning more about Liam and the challenges he and his family are facing. We are looking to have many opportunities to share God's light with them this school year.

We are so thankful for everyone who has already brought in an offering. Please keep Liam and his family in your prayers. May God bless you as you bless others.
