CLASSROOM CORNER

Keeping Sharp

Mrs. Delp/Second Grade

Second grade has begun the year learning what it takes to keep sharp. They have learned many skills in kindergarten and in first, but now they are adding to their knowledge while keeping their skills sharp. We have pencils on our lockers, door, and around our room that remind us to stay sharp.

That reminder can also apply to our walk with the Lord. We stay sharp by reading His Word, learning about it, praising the Lord in song, and attending church. Just like a pencil we can become dull and not much use for the Lord.

The students are working hard learning our procedures and rules. In Bible class we are making a creation book and learning Genesis 1:1. In math we are getting use to a new book and are learning place value. We had fun doing our first science experiment and using our skills of observation. The students can't wait to start cursive, but first we need to make sure our printing is correctly and neatly done. Second graders love eating our snacks in our "jungle" and listening to story time. With reading, spelling, grammar, creative writing, computer time and drills our day flies by.

It's a wonderful start to our new year and I love watching the students as they grow and sharpen those skills. Praying the Lord will bless our year together and thanking Him for the privilege of teaching these fantastic students.

BACK TO SCHOOL SUNDAY: GRADES K-8

We are happy to announce that after two years of restrictions, we are finally able to have our annual Back to School Sunday service at St. Peter's Lutheran Church on September 25th. Students in grades Kindergarten-8th Grade will attend the 11:00 a.m. service where they will sing a song that they are learning in Music class. Our Staff will be installed as Christian Day School Teachers during this service also.

Students and Staff will gather in the church meeting room at 10:45 a.m. Parents can proceed to the sanctuary for the service. Students will sit with their classes and be dismissed to parents once the service is over. PreK students and parents are invited to attend worship, as well.

We are looking forward to participating in this wonderful day!

CANDY BAR SALE

Candy Bars were sent home last week. Please return the money by October 7th.

PLAYGROUND CLOSED AT DISMISSAL

We would like to remind everyone who picks up a child at dismissal that students should remain with the adult who picks them up. Our playground is closed to all students who are not signed up for our After School Program on that day.

We have had some concern about children being on the school grounds without an adult near them. We strive to keep your child safe when in our care, but once they are dismissed the responsibility of their safety becomes that of the adult they are dismissed to.

Thank you for your understanding.
