

ST. PETER'S KEYS

BE KIND!!!

September 20, 2021

CLASSROOM CORNER

Ephesians 4:32 Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.

BE KIND! In today's current world, being kind is so important. Everyone needs some kindness, empathy, and extra love. The pandemic has turned our world upside down and inside out a few times. Kindness goes a long way! Pastor Tom challenged each class to come up with a list of ways we can be kind. A few ways third graders came up with are to help others, hold the door, smile, share, and invite others to play during free time if they are alone. Show kindness to others...you never know what someone may be experiencing or feeling.

In 3rd grade, we are off to a great start with our organizational skills! We are getting used to our new routine and being more responsible. All of the students are working on studying Memory and Spelling, handing in homework the day it is due, and getting things signed by parents that need signed, including agendas. These organizational skills and study skills will come in handy as we continue throughout our school careers and into life as adults. We love discussing life in our Bible Studies! And I just LOVE my new devotional book given to me as a gift by our Principal and Parish Board...it is **A Little God Time for Teachers!** We are reading devotions from this book! We also love Reading, Math, Science, Writing, and Social! Miss Kreutz loves to get those creative writing juices going! We are in for an exciting year as we work on "Being Kind!"
