## **CLASSROOM CORNER**

*"Work willingly at whatever you do, as though you were working for the Lord rather than for people. Remember that the Lord will give you an inheritance as your reward, and that the Master you are serving is Christ."  
Colossians 3:23-24*

Greetings from 4th and 5th Grade! I thought it would be fitting to write my first article for the Keys about responsibility. When moving into 4th and 5th grade there is a big shift in the responsibility of work and attitude. This is the year where students start to move to different classrooms and use a locker for their classroom supplies. No longer is everything in one place for easy accessibility. This is a tough skill for most; from time to time even I lose my paper or the Expo marker I need to write the directions on the board. We spend a lot of time learning about not only responsibility of supplies but of learning.

The responsibility of learning looks like many things. Sure finishing homework is an obvious one but a lot of times it is taking the responsibility of our attitude. We can't just always ask for the answers from our neighbor. Our neighbor won't be there until high school or college or life to follow us around and give us the answers. We have to do hard things in order to learn. We need to have strategies to find answers we are not sure of. It is also our responsibility to be sure we are creating a learning environment in our classroom where everyone feels safe and can make mistakes and is able to do his or her best work. One way we try to do this is by following our one classroom rule. That one rule is: If what you are doing interferes with learning, hurts someone's heart or prevents you from being your best self, you should not be doing it.

We are working for the Lord and following in his footsteps this year (and hopefully for years to come). Taking responsibility for your attitude and habits is one way to follow him.

I leave you with this prayer that went with our responsibility devotion:

Heavenly Father, we thank You for the guidance and wisdom Your Word provides regarding responsibility. Help us to embrace our duties with diligence, integrity, and a heart that seeks to honor You. Grant us the strength and discernment to fulfill our responsibilities faithfully, whether in our work at school, relationships or stewardship. May our actions reflect Your love and bring glory to Your name. Amen

Blessings,  
Mrs. McKie

## SEE YOU AT THE POLE

Parents and students are invited to participate in this year's See You at the Pole event this Wednesday, September 25th. This is an annual event where Christians gather around the school flag poles to pray over our schools, students and staff.

If you would like to participate, you may gather at the flag pole in front of our school by 8 am.

We hope to see you there!

## SAFETY DRILLS

We are committed to keeping all of our students and staff safe while here at St. Peter's. Parents can be assured that our doors are always locked, and those coming inside the building are here for a scheduled reason.

We have begun having our required fire drills. Last week was our first and everyone did wonderfully.

Beginning this week, we will be having lock down drills, which are also required by New York State. These drills are necessary to prepare everyone in case of an outside threat. We do our best to prepare the students without giving them fear.

If you ever have any questions, please contact Mrs. Scibetta. We are so thankful that you chose our school for your child.
