

ST. PETER'S KEYS

BE KIND!!!

September 27, 2021

CLASSROOM CORNER

“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight”- Proverbs 3:5-6 NIV. Trusting God is essential in today’s current world. As Christians, we struggle with adversity within the work place, at home, amongst friends and everyday living situations. We tend to turn to our human logic and thought in order to rationalize each situation’s purpose, especially when these aren’t going our way. How could we continue to do this? Who are we to question God’s plan? God wants us to rely, trust in him, and grow in faith by placing all our fears, anxieties and worries in submission to Him. When we give these to Him; God turns all our bad situations into good ones. We are to trust and focus on Him; he answers prayers on his time. “Remember we serve God who specializes in defying the odds” –Lion of Judah. Through these he teaches us patience, long suffering and endurance to never give up.

Fourth graders are in the process of getting adjusted to the classroom schedule and routine. Also, we are working on being kind and compassionate to others in correlating to this year’s theme of “Being Kind”. In Bible, we are focusing on the importance of prayer by implementing our prayer board to encourage students to pray for others; in showing God’s love and kindness. In addition to hands-on prayer activities, we are starting to dive into our bible curriculum Genesis creation reviewing the following bible stories of Adam and Eve, Cain and Abel to name a brief few. Within the other content subjects, we are currently working on spelling, Geography of NYS, multi-numeral numbers place value, myths, folktales, legends and Hispanic Heritage month inspiring leaders. Fourth graders are blessed to share a transitional class for science with Miss Kreutz. We are looking forward to a fabulous new school year in fourth grade.

Through His strength,
Miss Garcia and the fabulous fourth grade
