

ST. PETER'S KEYS

BE KIND!!!

September 7, 2021

CLASSROOM CORNER

Ephesians 4:32 *Be kind to each other, tenderhearted, forgiving one another, just as God through Christ has forgiven you.*

I would like to welcome all of you to our Classroom Corner section of our weekly newsletter. In this section you will have the opportunity to read about what is happening within our classrooms. Each week a teacher will be sharing some highlights of activities and lessons students are participating in.

This school year, God has blessed me with the opportunity to once again be the Fifth Grade Homeroom Teacher. This is a position that I had previously held for many years. This grade is one that I have absolutely loved teaching throughout the years. The Fifth Grade subjects I will be teaching are ELA, Social Studies, and Bible Studies. The Fifth Grade students will have other teachers for the remainder of their subjects.

Once again, this year, I will be teaching 7th and 8th Grade Social Studies and Bible Studies. These areas of curriculum are two of my favorites, and I am looking forward to the time I will spend, daily, with these students.

Among my other duties will be serving as our school Principal. This is a position that gives me the ability to be involved in all our students' educational lives. It is a pleasure to be able to work with each of our school families.

As we focus on our theme this year- **BE KIND**- I challenge each of you to ask your child the following question at the end of each day.

Who was kind to you today and what was done to show you kindness?
Who were you kind to and what did you do to show kindness to this person?

We are each guilty of focusing on the negative of our day. Let's work together, this year, to build up the positives and share kindness in the many ways God gives us. I will be praying daily for each of you! May God bless us as we strive to have a fantastic school year as we stay safe and healthy!

BACK TO SCHOOL BASKET AUCTION

WOW! What a wonderful event we had! We would like to personally thank everyone who participated in our Back-to-School Basket Auction. We raised over \$1800 that will be used to cover expenses throughout this school year. We were amazed by all the generosity received through donations of baskets, items, as well as financial gifts. We would like to thank all those who purchased tickets.

Several people assisted in shopping, organizing and making completed baskets. Their support was incredible! I would also like to thank Thrivent Financial for sponsoring this event. We had over 90 baskets that were awarded to many different people from both St. Peter's Lutheran School and Church. All winners were notified on Wednesday, September 1st. Thank you for being a blessing to our school!
