Dear Parents:

You have registered your child/children for St. Peter's After School Program. Please be sure that you read this handbook and understand our policies.

We offer this program to benefit all of our families, but we need your help to have the program run smoothly. If you have any questions about our after school program, please call the school 731-4422.

After School is a complete programmed class. Students will be supervised and classroom like rules will apply.

Students may enter after club sessions or sports practices. They will be released only to a parent or designee kept on file.

Students may NOT enter, leave, enter, leave, etc.

PLEASE CHECK THE FOLLOWING DETAILS

Health Forms: Each child should have a health form completed and returned to St. Peter's School. If you have not turned one in yet, this MUST be done prior to your child attending the program. Be sure all information is current.

After school program will begin the first day of school and will operate every full school day. (There may be some exceptions to this.)

Remember all payments are to be made at the school office by mail or in person. Payments are due Thursday of the week prior to using the program. Sign up forms are provided in each week's newsletter: KEYS. A receipt will be sent home each Friday indicating your child's enrollment for the coming week.

AFTER SCHOOL CHILD RELEASE

Children will not be allowed to leave the After School Program before being signed out by a parent or designated adult. Do not remove your child from the program site without notifying the staff. If there is someone your child would not be allowed to leave the program with, please notify us in writing. Copies of Court Orders for protection, visitations or schedules MUST be on file. Children will only be released to adults designated. All of the child release policies have been established for the protection of your children. Please assist us with these security issues even though it may be inconvenient at times.

Be sure to communicate any changes or adjustments in the "normal process" during the school year. If your child is to attend

after school and you decide on an enrolled day that your child is to go home, please send a note or call the school office. A credit will be given only if notification is received by noon of that day.

HALF DAYS OF SCHOOL

The after school program will **NOT** be offered on any scheduled half days of school.

BAD WEATHER SCHOOL CLOSING

Weather related closings are often due to bus service cancellation. As a general rule, when Niagara Wheatfield district closes schools for weather reasons, St. Peter's will also be closed. Please listen to radio station WBEN & Television Channels 2, 4, & 7 for school closing information. If the students are in school when the decision to close school is made, parents will be classed to insure there will be someone to receive students as they arrive home.

HEALTH FORMS

Up to date health forms must be on file with the school. A copy of the health form will be kept on file at the program site. Parents are responsible for informing the staff of any changes in address, telephone numbers, emergency or work phone numbers.

STAFF

The After School Program will be staffed by a trained staff member. The staff/student ratio will be 1/10. However, depending on the age of the students present additional help may be utilized.

You are welcome to visit our After School Program anytime.

St. Peter's After School Program is happy to serve you. We will do our best to offer a high quality, caring Christian program. Please do your part as program members by following these few simple rules and policies.
